SPECIAL NOTICE: This list is intended for the **TRADE ONLY**. If it reaches people **NOT** entitled to Trade Prices, we will thank any Nurseryman or Florist to advise us, so that our mailing list may be corrected. We do not employ agents. We do not pack dealers' orders on our grounds. We do not authorize dealers to use our name.

CHASE, ALABAMA,
September 30, 1933.

To the Trade:

Our last Spring's "*In-the-Red*" Trade List was printed all in red ink and entirely on wrapping paper, indicating conditions as we then saw them. This time, we are hopefully compromising on a wrapping-paper cover, white paper inside, all printed in black ink with the exception of that considerable touch of red on the front, all indicating that we are, at least, looking forward hopefully to this season's business. We do feel that a touch of red is still in order. Here's hoping it grows dimmer for all of us throughout the nursery trade, and that it will entirely disappear a year hence.

Think our nursery plant never presented a better appearance than it does at this time. The growing season has been remarkably good. We are in position to serve you quickly with stock of the highest quality priced reasonably.

We are truly appreciative of the business that so many of you have entrusted to us all these years. If you happen to be one who has not yet become acquainted with "*Chase's Alabama Grown*," we earnestly solicit a trial order.

NOTICE: The prices in this list may be increased to include any Federal or State Taxes levied upon sales, and any increase in the cost of labor or materials through legislation or regulation by any State or Federal agencies.

CHASE NURSERY COMPANY

OUR FORTY-THIRD YEAR IN ALABAMA

Terms and Conditions

SHIPMENTS

Please state how you want your shipments made, whether by freight or express; also route. Where no instructions are given, we will ship as we think best serves your interests without assuming responsibility.

The risk and cost of transportation belongs to purchaser.

TERMS

Sixty days net; 2 per cent 10 days; 1 per cent 30 days. April 1st dating on winter shipments for spring use.

Interest at 6 per cent from maturity on over-due accounts.

C. O. D. orders must be accompanied by one-fourth cash.

PRICES

Prices are quoted per 10, per 100 and per 1000 as our stock warrants, except Evergreens, which, for convenience, are priced "per each." We will supply nurserymen and dealers at prices named regardless of the size of the order, except in cases of long assorted lists of small quantities, when an additional charge will be made to cover the extra labor involved. Prices are subject to market changes.

GRADES

We grade liberally. All shrubs of specified sizes are well furnished and well rooted. Culls are as rigidly excluded from the lightest grades listed as from the heavier stock. Our rule is "When in doubt, put it in the lower grade." Detailed information as to our method of grading Hedge Plants and Roses is given elsewhere in this list.

LIABILITY AND CLAIMS

We are not liable for injury to stock from frost, hail, fire, or other causes beyond our control, and book all orders with this understanding. While we use every means at our command to secure prompt delivery, we are not liable for delays in transit; our responsibility ends upon delivery in good order to railway company. Remedy for loss must lie between the buyer and the railway company, but we will gladly render all the aid we can. All claims must be made immediately after receipt of stock.

NON-WARRANTY CLAUSE

We give no warranty, express or implied, as to description, quality, productiveness, or any other matter, of any nursery stock, seeds, bulbs or plants we sell.

BOXING

We use bone-dry Cypress in making boxes. It is light and strong, makes a good-looking package at reasonable cost.

6 to 7½ Ft.

30 x 30	\$2.75
24 x 30	2.50
24 x 24	2.25
18 x 24	2.00
18 x 18	1.75
15 x 15	1.50
12 x 12	1.25

Longer or shorter boxes will be charged in proportion to above schedule.

Bales: 25c to \$2.50, according to size.

There is no packing charge on bulk or car loads.

REFERENCES

As to our standing and responsibility we refer to any bank or business house in Huntsville, Ala., the Commercial Agencies, and the leading nurserymen of the United States.

Deciduous Shrubs

We are following so far as practical "Standardized Plant Names" in listing Shrubs. All stock will be well branched, and strictly up to the standard grades adopted by the American Association of Nurserymen, except as noted.

NOTE: The figures shown following the description of each variety, indicate the approximate height at maturity.

Per 10 Per 100

ACER palmatum atropurpureum, Bloodleaf Jap. Maple.
(Budded)

A dwarf tree, densely furnished to the ground; indented leaves of unrivaled beauty and charm, vivid blood-red in summer, fading to a purplish bronze in autumn. 8 feet.

3- 4 Ft., BB	\$50.00	\$.....
2- 3 Ft., BB	25.00
18-24 In., BB	15.00
15-18 In., BB	12.50

ALTHEA—See Hibiscus.

AMYGDALUS (Flowering Almond)—See *Prunus glandulosa*.

AMYGDALUS persica, Doubleflowering Peach. Budded.

A large shrub or small tree, bearing a profusion of double flowers in early spring before the foliage appears. Adapted to most soils and situations. PINK, RED and WHITE. 12 feet.

5-6 Ft.	3.50
4-5 Ft.	25.00
3-4 Ft.	20.00
2-3 Ft.	15.00

ARONIA arbutifolia, Red Chokeberry.

A very attractive upright shrub; an abundance of white flowers in May, with its red berry-like fruit carrying well into winter. 8 feet.

2- 3 Ft.	30.00
18-24 In.	20.00
12-18 In.	15.00

BERBERIS thunbergi, Japanese Barberry.

Hardy shrub. Splendid for hedges or massing. Delicate yellow flowers April-May; brilliant fall foliage followed by scarlet berries in winter. 5 feet.

2- 3 Ft.	15.00
18-24 In.	10.00
15-18 In.	7.50
12-15 In.	5.00

thunbergi atropurpurea, Redleaf Barberry.

The new variety of Japanese Barberry, bronzy red foliage in early spring to a brilliant red throughout summer and autumn. Scarlet berries persist well into winter. 4 feet.

2- 3 Ft.	2.25
18-24 In.	17.50
15-18 In.	12.50
12-15 In.	10.00

DECIDUOUS SHRUBS (Continued)

BUDDLEIA alternifolia, Chinese Butterflybush. Per 10 Per 100

A native of Northern China. The hardiest of all the Buddleia. Its graceful drooping branches produce a very pleasing effect. Lavender flowers with crimson eye. Blooms from July to frost. 6 feet.

2 Year, No. 1\$ \$15.00

2 Year, Medium 10.00

davidi magnifica, Oxeye Butterflybush.

Semi-drooping form; very attractive with its glossy foliage and clusters of deep lilac flowers from June to September. 5 feet.

2 Year, No. 1 12.50

2 Year, Medium 7.50

CALLICARPA americana, American Beautyberry.

Feathery blue flowers in summer followed by clusters of purple fruit. 5 feet.

2- 3 Ft. 20.00

18-24 In. 15.00

12-18 In. 10.00

CALYCANTHUS floridus, Sweetshrub.

A hardy symmetrical shrub with dark green foliage and chocolate-colored flowers blooming in early spring. Thrives well in shady situations. 7 feet.

3- 4 Ft. 15.00

2- 3 Ft. 10.00

18-24 In. 7.50

12-18 In. 5.00

CERCIS canadensis, American Redbud.

Native shrub or small tree producing a mass of rosy pink pea-shaped flowers in early spring. Very desirable for screen or mass planting. 15 feet.

8-10 Ft. 75.00

6- 8 Ft. 50.00

5- 6 Ft. 40.00

4- 5 Ft. 25.00

3- 4 Ft. 15.00

2- 3 Ft. 10.00

CHIONANTHUS virginica, White Fringe.

Large slow-growing shrub with dark green foliage. An abundance of white tassel-like flowers in June. 12 feet.

3- 4 Ft. 5.00

2- 3 Ft. 40.00

18-24 In. 30.00

TENNESSEE, September 1, 1932—"Am well pleased with results from the stock even if it was lined out the first week in June."

VIRGINIA, September 10, 1932—"Am in receipt of the Dwarf Boxwood, and find the plants to be in perfect condition and the grade much better than I expected."

DECIDUOUS SHRUBS (Continued)

CORNUS florida, Flowering Dogwood.

Per 10 Per 100

Very attractive symmetrical tree, covered in early spring with single white flowers. Thrives in sun or shade. 25 feet.

8-10 Ft., Specimens, BB	\$30.00	\$
6- 8 Ft., Specimens, BB		150.00
5- 6 Ft., BB		100.00
4- 5 Ft., BB		75.00
3- 4 Ft., NR		30.00
2- 3 Ft., NR		20.00
18-24 In., NR		12.50

NOTE: We believe the four larger sizes should be "BB" (Balled-and-Burlapped), and have so priced them. If wanted "NR" (Naked Roots), deduct 60c on 8-10 ft., 50c on 6-8 ft., 40c on 5-6 ft., and 30c on 4-5 ft.

florida plena, Doubleflowering Dogwood.

A double whiteflowering variety of above. 15 feet.

5-6 Ft., BB	22.50
4-5 Ft., BB	17.50
3-4 Ft., BB	12.50
2-3 Ft., BB	7.50

florida rubra, Redflowering Dogwood.

Another variety of our native dogwood, bearing a mass of deep rose-colored flowers in early spring. Leaves turn dark crimson in autumn. Thrifty in sun or semi-shade. The two larger grades are fine specimens. 20 feet.

8-10 Ft., Specimens, BB.....	50.00
6- 8 Ft., Specimens, BB.....	40.00
5- 6 Ft., Caliper 1 In. and up, BB.....		175.00
4- 5 Ft., Caliper 3/4 In. and up, NR.....		100.00
3- 4 Ft., Caliper 9/16 In. and up, NR.....		75.00
2- 3 Ft., NR.....		50.00
18-24 In., NR.....		40.00

NOTE: The handling of 4-5 ft. and smaller grades without balling, is being done successfully. If wanted "BB" instead of "NR," add 30c on the 4-5 ft., 20c on 3-4 ft., 10c on 2-3 ft. and 18-24 in.

paniculata, Gray Dogwood.

Upright growing shrub with gray branches, white flowers in May. Free flowering; a beauty when in bloom. Followed by white fruits on red stems in fall. 7 feet.

3- 4 Ft.	2.50
2- 3 Ft.		10.00
18-24 In.		7.50

siberica alba, Coral Dogwood.

An upright shrub with clusters of fine white flowers April-May followed by a fall crop of light blue berries. Stems and branches blood-red. 10 feet.

3- 4 Ft.	1.50
2- 3 Ft.	1.00
18-24 In.		7.50
12-18 In.		5.00

DECIDUOUS SHRUBS (Continued)

CRATÆGUS coccinea, Scarlet Fruited Thorn. Per 10 Per 100
Hardy ornamental shrub, mostly of dense and low growth, with beautiful foliage of brilliant color in fall; clusters of bright red fruit in winter. 10 feet.

3- 4 Ft.	\$	\$50.00
2- 3 Ft.	25.00
18-24 In.	15.00

cordata, Washington Hawthorn.

Very showy in autumn with its brilliant foliage and bright red fruit, remaining for a long time in winter. 12 feet.

3- 4 Ft.	50.00
2- 3 Ft.	25.00
18-24 In.	15.00

CYDONIA japonica, Flowering Quince.

One of the most popular shrubs. In early spring, this fine old shrub is covered with scarlet flowers, followed by small globular fruit. 4 feet.

2- 3 Ft.	12.50
18-24 In.	10.00
12-18 In.	7.50

maulei, Dwarf Flowering Quince.

A very desirable hardy shrub of low growing habit. Its graceful spiny branches are filled with small orange-scarlet flowers in March with yellow fruit in autumn. 3 feet.

18-24 In.	2.00
15-18 In.	15.00
12-15 In.	10.00

DESMODIUM—See Lespedeza.

DEUTZIA, Assorted.

4- 5 Ft.	15.00
3- 4 Ft.	10.00
2- 3 Ft.	8.00
18-24 In.	5.00

scabra crenata rosea plena.

(A very profuse bloomer. Double pink flowers. 12 feet.)

scabra magnifica.

(One of the best of the newer sorts. Large panicles of double white flowers in June. 6 feet.)

scabra, Pride of Rochester.

(A tall-growing Deutzia. Flowers large double white. 12 feet.)

gracilis, Slender Deutzia.

Dwarfish growing; dense; bushy. Its drooping branches wreathed with pure white flowers in May. Thrives well in semi-shade. 3 feet.

15-18 In.	12.50
12-15 In.	10.00

gracilis rosea, Rose-panicle Deutzia.

Semi-drooping. Has same habit as Gracilis, but grows slightly taller. Deep rose-colored flowers in April. 4 feet.

18-24 In.	15.00
12-18 In.	12.50

DECIDUOUS SHRUBS (Continued)

ELEAGNUS umbellata, Autumn Eleagnus.		Per 10	Per 100
Highly ornamental shrub with handsome gray-green foliage. Flowers yellowish white and very fragrant. 10 feet.			
4-5 Ft.	\$		\$35.00
3-4 Ft.			25.00
2-3 Ft.			15.00

EUONYMUS alatus, Winged Euonymus.

A very desirable shrub furnished with corky winged branches. Brilliant fall colored foliage and scarlet berries. 8 feet.			
3- 4 Ft.			35.00
2- 3 Ft.			25.00
18-24 In.			15.00

alatus compacta, Dwarf Winged Euonymus.

A very choice dwarf compact shrub which is unquestionably one of the best deciduous shrubs for growing in the shade. Glaucous foliage in spring and summer, turning to brilliant crimson in fall. Has a spread equal to height. 5 feet.			
2- 3 Ft.	5.00		
18-24 In.	3.50		
15-18 In.	2.50		
12-15 In.	2.00		

americanus, Brook Euonymus.

An upright shrub with slender green branches, rose-colored fruit with scarlet seed coats in autumn. 5 feet.

3- 4 Ft.	3.50	
2- 3 Ft.	2.50	
18-24 In.		15.00

EXOCHORDA grandiflora, Pearl Bush.

A beautiful shrub with small light-green foliage. In early spring pearl-like buds open into fragrant pure white waxy flowers. Is improved by annual pruning. Prefers moist soil. 10 feet.

5- 6 Ft.		25.00
4- 5 Ft.		20.00
3- 4 Ft.		15.00
2- 3 Ft.		10.00
18-24 In.		7.50

VIRGINIA, October 5, 1932—"The stock bought from you last spring was planted on good land, has made good growth, and don't think I have lost more than half dozen pieces."

OREGON, October 20, 1932—"Shipment from you in, and must compliment you on your packing—everything was in excellent condition."

NORTH CAROLINA, October 18, 1932—"I want to thank you for the prompt manner in which you handled all of the recent shipments. It is a pleasure to do business with a firm who handles orders as efficiently as you do, and who puts out stock in such good condition. All of the plants arrived in good shape, and I want to thank you for your cooperation."

DECIDUOUS SHRUBS (Continued)

FORSYTHIA, Assorted.	Per 10	Per 100
3- 4 Ft.	\$	\$10.00

sabina tamariscifolia, Tamarix Savin.

A beautiful prostrate form; fine grayish-green foliage. Suited for rockery work. Spread to 6 feet.

24-30 In., BB	1.25
18-24 In., BB75
15-18 In., BB35
12-15 In., BB25

scopulorum, Colorado Juniper.

Broad, compact and symmetrical juniper. Silvery blue foliage. The inner foliage does not turn brown, but remains a good healthy color throughout the year. 15 feet.

30-36 In., BB	1.50
24-30 In., BB	1.00
18-24 In., BB75

squamata meyeri, Meyer Juniper.

This new type has a most unusual color and habit. The leaves are plump, pointed and prickly. A distinct blue color. Grows in irregular form. An ideal plant for rockeries. 4 feet.

24-30 In., BB	3.50
18-24 In., BB	2.50
15-18 In., BB	1.50

virginiana, Redcedar.

The well-known native evergreen. May be trimmed to any desired shape. Its dark green color excellent for formal work. These plants are well filled, compact, and legless. Have been many times sheared and root pruned. 35 feet.

6-8 Ft., BB	2.50
5-6 Ft., BB	1.50
4-5 Ft., BB	1.00
3-4 Ft., BB75
2-3 Ft., BB50

CONIFERS (Continued)

JUNIPERUS virginiana burkii, Burks Redcedar. Each

Forms a dense column. Distinct blue foliage. Useful for formal work or mixed plantings. 12 feet.

30-36 In., BB	\$ 1.50
24-30 In., BB	1.00
18-24 In., BB75

virginiana cannarti, Cannart Redcedar.

The leading form of Redcedar, having very deep rich green, heavily tufted foliage, holding a fine green winter color, bearing blue and silver berries which remain late in autumn. 15 feet.

30-36 In., BB	1.50
24-30 In., BB	1.00
18-24 In., BB75

virginiana elegantissima, Goldtip Redcedar.

Pyramidal type, rather broad and bushy with slightly drooping soft and lacy foliage. Rich creamy golden color on tips in spring, gradually darkening to old gold as the season advances. 12 feet.

30-36 In., BB	2.00
24-30 In., BB	1.50
18-24 In., BB	1.00

virginiana glauca, Silver Redcedar.

A rare variety of our native cedar. One of the bluest of all blue-green conifers. Compact, symmetrical, columnar habit. 20 feet.

6- 8 Ft., BB	6.00
5- 6 Ft., BB	4.00
4- 5 Ft., BB	2.50
3- 4 Ft., BB	2.00
30-36 In., BB	1.50

virginiana keteleeri, Keteleer's Redcedar.

A splendid evergreen of pyramidal formal outline. Deep green scale-like leaves; compact habit. Very hardy. 15 feet.

24-30 In., BB	1.00
18-24 In., BB75

LIBOCEDRUS decurrens, Incense Cedar.

Strong, ragged, upright growth. Chiefly grown for its handsome foliage of bright deep green. Clothed with small scale-like leaves and cones. Valuable for large grounds, parks, and estates. 30 feet.

6-8 Ft., BB	5.00
5-6 Ft., BB	3.50
4-5 Ft., BB	2.50
3-4 Ft., BB	1.50
2-3 Ft., BB	1.00

CONIFERS (Continued)

PICEA excelsa, Norway Spruce.

Each

A tall picturesque hardy tree, graceful and well adapted to planting over a wide range of territory. Valuable for screens, wind breaks, and hedges. 40 feet.

4- 5 Ft., BB	\$ 1.25
3- 4 Ft., BB	1.00
2- 3 Ft., BB50
18-24 In., BB35
12-18 In., BB25

pungens, Colorado Spruce.

The origin of the famous Blue Spruce. Foliage varies from light green to blue. Makes fine specimens in a broad based, pyramidal form. Branches in distinct whorls. 25 feet.

3- 4 Ft., BB	2.50
30-36 In., BB	1.50
24-30 In., BB	1.25
18-24 In., BB	1.00

PINUS banksiana, Jack Pine.

Very fast grower. Grows and thrives in barren soils. Has an attractive bright green color, short needles, and a rather open growth. 50 feet.

30-36 In., BB	1.50
24-30 In., BB	1.25
18-24 In., BB75

montana mughus, Mugho Pine.

An excellent dwarf pine. Globe-shaped and erect branches. Forms a compact and symmetrical dome of bright green foliage. Succeeds in any soil. 5 feet.

18-24 In. Spread, BB	1.50
15-18 In. Spread, BB	1.00
12-15 In. Spread, BB60

nigra, Austrian Pine.

A vigorous dense grower with rich dark green foliage. Good for backgrounds or wind breaks. 50 feet.

30-36 In., BB	1.50
24-30 In., BB	1.25
18-24 In., BB75

sylvestris, Scotch Pine.

One of the best of the pine family. Very quick to re-establish itself. Will grow well on high and dry ground. Where quick effect is desired, this variety will prove as satisfactory as any evergreen. 50 feet.

30-36 In., BB	1.00
24-30 In., BB75
18-24 In., BB50

TAXUS baccata, English Yew.

A dense, close-branched evergreen of spreading habit, and dark green foliage. Makes a handsome plant for landscape work. 10 feet.

18-24 In., BB	2.00
15-18 In., BB	1.25
12-15 In., BB	1.00

CONIFERS (Continued)

THUJA occidentalis, American Arborvitæ. Each

Very hardy and dependable in almost any situation.
 Stands trimming well. The leading conifer for hedging.
 Foliage a very soft deep green. 30 feet.

3-4 Ft., BB	\$.75
2-3 Ft., BB50

occi. columbiana, Goldtip Arborvitæ.

Like all bright colored evergreens, this tree should be
 placed in all group plantings. Forms a broad, bushy,
 heavy specimen. 10 feet.

4- 5 Ft., BB	1.00
3- 4 Ft., BB75
2- 3 Ft., BB50
18-24 In., BB35

occi. globosa, Globe Arborvitæ.

A perfect globe-shaped plant, the spread equalling
 height. Light green, attractive foliage. Retains globe
 habit without trimming. 3 feet.

30-36 In., BB75
24-30 In., BB50
18-24 In., BB35

(BIOTA) orientalis, Chinese Arborvitæ.

One of the most useful and easily grown evergreens in
 this climate. Variable in form, but usually cone-shaped.
 Rather stiff habit. 25 feet.

8-10 Ft., BB	3.50
6- 8 Ft., BB	2.50
5- 6 Ft., BB	1.25
4- 5 Ft., BB	1.00
3- 4 Ft., BB75
2- 3 Ft., BB50

CONIFERS (Continued)

Each

THUJA (BIOTA) or. aurea conspicua, Goldspire Arborvitæ.

Truly the most conspicuous of all golden pyramidal forms. Retains its branches close to the ground. The golden yellow foliage is not affected by the winter. Suitable for formal or lawn planting. 15 feet.

6- 8 Ft., BB	\$ 3.50
5- 6 Ft., BB	2.00
4- 5 Ft., BB	1.25
3- 4 Ft., BB	1.00
2- 3 Ft., BB75
18-24 In., BB50

or. aurea gracilis, Diana Arborvitæ.

Dwarf type, broad cone or egg-shaped. Foliage of fine texture and distinctly in vertical planes, yellowish green. 4 feet.

24-30 In., BB	1.00
18-24 In., BB75
15-18 In., BB50
12-15 In., BB35

or. aurea nana, Berckman's Golden Arborvitæ.

The most valuable Thuja. Of compact and symmetrical habit. A desirable plant for tubbing, small gardens or cemetery lots. Can be perfectly matched in pairs in all sizes listed. 5 feet.

3- 4 Ft., BB	2.00
30-36 In., BB	1.50
24-30 In., BB	1.00
18-24 In., BB75
15-18 In., BB50

or. aurea nana globosa, Dwarf Golden Arborvitæ.

A new dwarf form of Aurea Nana. Fills a great need in planting outer borders, marking corners of beds, in formal gardens, and rock-garden work. Slow, compact grower. 2 feet.

18-21 In., BB	2.00
15-18 In., BB	1.50
12-15 In., BB	1.00
10-12 In., BB75
8-10 In., BB50

or. aurea pyramidalis, Golden Pyramidal Arborvitæ.

An erect symmetrical and compact form of beautiful golden tint. Its columnar habit adapts it to formal planting, and is well suited to lawn planting and ever-green groups. 15 feet.

6-8 Ft., BB	2.50
5-6 Ft., BB	1.75
4-5 Ft., BB	1.00
3-4 Ft., BB75
2-3 Ft., BB50

INDIANA, September 4, 1933.—“The car of Biotas got in Saturday. They came through in good shape and they look fine.”

CONIFERS (Continued)

THUJA (BIOTA) or. bakeri, Baker's Pyramidal Arborvitæ.

This type does not take on character until about 3 feet high when it fills out to form a pyramid, broad at base, tapering to a blunt point at top. Stands heat and drouth well. Foliage soft, light green. 10 feet.

	Each
3- 4 Ft., BB	\$ 1.00
30-36 In., BB75
24-30 In., BB50
18-24 In., BB35

or. beverlyensis, Beverly's Arborvitæ.

Tall form of fairly rapid growth. Golden tipped foliage in summer, bronze in winter. 18 feet.

4-5 Ft., BB	1.25
3-4 Ft., BB	1.00
2-3 Ft., BB75

or. compacta, Compact Arborvitæ.

Broad, very compact form with bright green foliage, and fairly rapid growth. 8 feet.

One of the newer varieties of the Chinese type, originating in Southern Texas. Broad, pyramidal form when mature. Steel-blue foliage. 20 feet.

2- 3 Ft., BB50
18-24 In., BB35

TSUGA canadensis, American Hemlock.

A tall pyramidal tree with graceful spreading branches. Grows rapidly in open lawns. The foliage is always a very deep green. May be trimmed to any size or shape desired. 40 feet.

4- 5 Ft., BB	3.50
3- 4 Ft., BB	2.50
30-36 In., BB	1.50
24-30 In., BB	1.00

Broadleaved Evergreens

We specify "BB" (Balled-and-Burlapped) where we think this method is best. In our judgment, the grades or varieties priced "NR" (Naked Roots) can be safely handled that way. The saving in freight or express charges on NR as against BB, is a big item. Evergreen stock handled NR must never be allowed to dry out, the roots must never be exposed to sun and air. If on arrival you cannot plant immediately, cut the bunches open and heel in, in sand or dirt under a shed, in a cellar, barn or outhouse where wind and sun cannot reach them, but where the plants will have circulation of air through the tops. Ample moisture is supplied by us in packing material to carry the shipment safely. The trick is to keep the roots always moist, and to give the tops a chance to breathe. We pack in ventilated cases or bales.

NOTE: If you wish "NR" items shipped "BB", **ADD** to listed price as per schedule below. If you wish "BB" items shipped "NR", **DEDUCT** from the BB price as per schedule.

Plants under 2 feet	10c
2 to 3 feet	15c
3 to 4 feet	20c
4 to 5 feet	30c
5 feet and up	45c

Please always specify "BB" or "NR" when ordering.

ABELIA grandiflora, Glossy Arbutus.

Now the most popular evergreen shrub for hedges, mass planting or single specimen. Has a graceful arching form, does not grow to a great height. Its pink-tinted, bell-shaped flowers continuous from May until frost. Rich, glossy green foliage remains throughout the year.

5 feet.	Each

3- 4 Ft., BB35
2- 3 Ft., NR12
18-24 In., NR10
15-18 In., NR07

The above plants are well branched and well filled at the ground, and carry a spread in proportion to height.

BERBERIS ilicifolia, Holly Barberry.

A dwarf growing shrub, not strictly an evergreen, but leaves persist until late in winter. Shiny dark green foliage. 3 feet.

30-36 In., BB	1.25
24-30 In., BB	1.00
18-24 In., BB75

BUXUS suffruticosa, Dwarf Box.

The slowest grower of all hardy plants. Has no equal for edging borders, walk-ways and around gardens. Will grow in either sun or partial shade. 2 feet.

6-8 In., NR10
4-6 In., NR07

BROADLEAVED EVERGREENS (Continued)

COTONEASTER horizontalis, Rock Cotoneaster. Each

This variety is a very hardy little shrub with flat spray-like, creeping growth. Feathered with small box-like leaves and a profusion of tiny pink flowers followed in fall and winter by bright red berries. A very valuable plant for edging drive-ways and rockeries. 2 feet.

18-24 In., BB	\$ 1.25
15-18 In., BB	1.00
12-15 In., BB75

lemoinei, Lemoine Cotoneaster.

Graceful arching shrub with narrow dark green leaves and bright red berries. 5 feet.

3-4 Ft., BB	1.00
2-3 Ft., BB75

microphylla, Rockspray.

The Rockspray is a very hardy shrub of spreading, drooping habit with very small dark glossy green foliage; small white flowers followed by scarlet berries. 3 feet.

18-24 In., BB	1.25
15-18 In., BB	1.00
12-15 In., BB75

ELEAGNUS pungens, Seedlings, Evergreen or Thorny Eleagnus.

A beautiful shrub of fairly rapid growth. Has a spreading habit with silvery gray foliage and brown scale-like branches; yellowish white flowers in fall. 8 feet.

4-5 Ft., BB75
3-4 Ft., BB50
2-3 Ft., BB40

pungens reflexa, Bronze Eleagnus.

A fine spreading shrub with leaves and stems covered with frosty, shiny scales on upper surface, and bronze beneath. Grayish-brown berries. 7 feet.

18-24 In., BB	1.00
15-18 In., BB75

ESCALLONIA floribunda.

One of the most useful plants for producing a thick bank of green verdure. The foliage is always fresh and glossy. Semi-upright form, bearing long arching panicles of pure white flowers August-September. 6 feet.

18-24 In., BB	1.50
15-18 In., BB	1.25

glutinosa.

A Chilean evergreen shrub with deep shining green foliage, and an abundance of rich pure white flowers. Graceful pendulous habit. 5 feet.

18-24 In., BB	1.50
15-18 In., BB	1.25

DISTRICT OF COLUMBIA—"The Blaze Rose and California Privet plants were fine."

BROADLEAVED EVERGREENS (Continued)

EUONYMUS bungeanus (Patens), Winterberry. Each

A compact graceful shrub, forms a low spreading, vine-like bush with dark green leaves usually retained most of the winter. Bright scarlet fruit. Free from insect pests and disease. 3 feet.

30-36 In., BB	\$.75
24-30 In., BB60
18-24 In., BB45
15-18 In., NR20
12-15 In., NR15

colorata, Spreading Euonymus.

Evergreen creeper with long narrow leaves, tinged purple in fall. Fine for ground covers and walls. Spread to 8 feet.

18-24 In., NR30
15-18 In., NR20
12-15 In., NR15

ILEX aquifolium, English Holly.

Much similar to the American holly, but the leaves are darker, glossier and a richer green. A very handsome tree, but less adapted to this climate than other hollies. 12 feet.

30-36 In., BB	2.50
24-30 In., BB	2.00
18-24 In., BB	1.50

crenata, Japanese Holly.

A dense, compact, stiff-branched grower with small deep green leaves similar to Boxwood. 8 feet.

15-18 In., BB	1.25
12-15 In., BB	1.00

opaca, American Holly.

The well-known native tree. As a lawn specimen, nothing is more handsome or adds so much to the winter beauty. Grows well in sun or shade. 30 feet.

8-10 Ft., BB	10.00
6- 8 Ft., BB	7.50
5- 6 Ft., BB	5.00
4- 5 Ft., BB	4.00
3- 4 Ft., BB	2.25
2- 3 Ft., BB	1.50

Our Ilex opaca have had the digger run under frequently, and will move easily. Can furnish these in pistillate and staminate form.

LAUROCERASUS caroliniana, Cherry-Laurel.

Makes a wonderful heavy hedge or screen, used effectively in bordering drives where there is ample room. Specimen plants used singly or in groups, are very useful in screening out blotches in the landscape. Our plants have been many times sheared, are compact, well-filled and low-branched. 15 feet.

8-10 Ft., BB	2.00
6- 8 Ft., BB	1.50
5- 6 Ft., BB	1.00
4- 5 Ft., BB75
3- 4 Ft., BB50

BROADLEAVED EVERGREENS (Continued)

LIGUSTRUM japonicum, Japanese Privet. Each

The most rapid grower of all broadleaved evergreens. Its large, dark green leaves cover the plant from the ground to the tip of the branches. Small white flowers followed by clusters of blue berries in winter. 10 feet.

4-5 Ft., BB	\$.50
3-4 Ft., BB40
2-3 Ft., BB30

lucidum, Glossy Privet.

A beautiful form of Japanese Privet, graceful and symmetrical habit. Dark green glossy foliage. 6 feet.

24-30 In., BB75
18-24 In., BB50
15-18 In., BB35

lucidum pyramidalis, Upright Glossy Privet.

Pyramidal type, dark shiny green foliage. Large heads of white flowers in May followed by black berries. 8 feet.

3- 4 Ft., BB75
2- 3 Ft., BB50
18-24 In., BB35

MAGNOLIA grandiflora, Southern Magnolia.

One of the grandest of all our native broadleaved evergreen trees for the South. Very large glossy green leaves; fragrant white blooms in spring. Especially desirable for planting on large estates where it has ample room. Hardy to Philadelphia. 40 feet.

10-12 Ft., Specimen, BB	7.50
8-10 Ft., Specimen, BB	5.00
6- 8 Ft., Specimen, BB	3.00
5- 6 Ft., BB	2.00
4- 5 Ft., BB	1.50
3- 4 Ft., BB	1.00
2- 3 Ft., BB75

MAHONIA aquifolia, Oregon Holly-Grape.

A small shrub having lustrous dark green leaves, shiny blue-black berries in winter. Excellent for foundation planting and massing in beds. Its fine rich foliage of varying shades is now used by leading florists in design work. 4 feet.

18-24 In., BB75
15-18 In., BB50
12-15 In., BB35

japonica, Leatherleaf Holly-Grape.

An upright, stalky growing plant with large, thick green holly-like leaves spreading in tropical fashion. Yellow flowers often appear before winter is over. Blue berries in clusters. Very desirable for background planting where medium height, substance and contrast is wanted. 6 feet.

30-36 In., BB	1.00
24-30 In., BB75
18-24 In., BB50
15-18 In., BB35

BROADLEAVED EVERGREENS (Continued)

NANDINA domestica, Nandina. **Each**

The showiest of all plants in winter, having large clusters of bright red berries against a background of green and bronze. Rich red foliage throughout the fall months. Most used in foundation plantings. Our plants are well branched and stocky. 5 feet.

3- 4 Ft., BB	\$ 1.00
30-36 In., BB75
24-30 In., BB50
18-24 In., BB40
12-18 In., BB30

The two smaller sizes of Nandina can be safely handled NR, but will not of course hold foliage as if BB. The two larger grades will be well furnished with berries.

OSMANTHUS aquifolium, Holly Osmanthus.

A striking shrub with dark green spiny leaves, resembling holly; small white fragrant flowers in autumn. 5 feet.

18-24 In., BB	1.00
15-18 In., BB75
12-15 In., BB50

PHOTINIA serrulata, Low Photinia.

A small tree or shrub with large drooping foliage of bright green, frequently changing to crimson in winter. Flowers white in large trusses followed by red fruit. 7 feet.

30-36 In., BB75
24-30 In., BB50
18-24 In., BB35

PYRACANTHA coccinea lalandi, Laland's Firethorn.

A broad, spreading, semi-drooping picturesque shrub. Very effective and desirable. Covered with a profusion of white flowers in early spring followed by bright orange berries, which remain throughout the winter. Useful for mass planting. 8 feet.

3- 4 Ft., BB	2.25
2- 3 Ft., BB	1.50
18-24 In., BB75
15-18 In., BB50

VIBURNUM rhytidophyllum, Leatherleaf Viburnum.

A bold handsome shrub, very hardy. Large oblong leaves deep green above, gray beneath. White flowers in spring, followed by masses of deep red berries. 8 feet.

24-30 In., BB	1.00
18-24 In., BB75
15-18 In., BB50

INDIANA, April 3, 1933—"The shipment of lining-out Irish Juniper came through next day after shipment, and in fine shape."

Vines

Per 100

AMPELOPSIS quinq. engelmanni, Engleman's Creeper.

Large five-lobed leaves turning brilliant crimson in fall; blue-black fruit. Self-clinging woodbine, very hardy. Especially good for covering walls and embankments.

2 Year, No. 1	\$10.00
2 Year, Medium	7.50

tricuspidata (Veitchi), Boston Ivy.

The best climbing vine for rapid growth on brick walls, etc. Has broad, usually three-lobed foliage, glossy green in summer, brilliant autumn colors of red, yellow and scarlet.

2 Year, No. 1	17.50
2 Year, Medium	12.50

CLEMATIS, Largeflowering. Assorted.

The three varieties listed are the most popular of all Largeflowering Clematis. Strong and free bloomers.

2 Year, No. 1	27.50
2 Year, Medium	15.00

Henryi (White) Jackmanni (Purple)

Mme. Ed. Andre (Red)

paniculata, Sweet Autumn Clematis.

A profusion of fragrant white star-shaped flowers in late summer. The small leaves form a dense mass. An excellent vine to grow on wire nettings or trellis work. Thrives best in sun.

2 Year, No. 1	12.50
2 Year, Medium	7.50

NOTE: Orders for Ampelopsis Veitchi and Clematis will be shipped direct from contract grower, usually by parcel post or express. Years of experience prove this to be the best method of handling.

HEDERA helix, English Ivy.

The well known evergreen Ivy, by far the best evergreen vine for covering stones, concrete and brick structures. Grows in dense shade. Much used in window boxes.

2 Year from 4-inch pots.....	20.00
------------------------------	-------

helix gracilis, Miniature English Ivy.

Similar to English Ivy, but with smaller dark green foliage. Perfectly hardy.

2 Year from 4-inch pots.....	25.00
------------------------------	-------

LONICERA belgica, Monthly Fragrant Honeysuckle.

The old-fashioned Fragrant Honeysuckle, sometimes called Dutch Woodbine. Blooms throughout the summer; red and yellow flowers.

2 Year, No. 1	15.00
2 Year, Medium	10.00

VINES (Continued)

LONICERA halliana, Hall's Japan Honeysuckle. Per 100

A strong vigorous vine with white and yellow fragrant flowers, blooming throughout summer and fall. Rich dark green foliage. Fine for trellis and ground cover.

2 Year, No. 1\$ 7.50
2 Year, Medium 5.00

punicea, Scarlet Trumpet Honeysuckle.

An attractive vine with large light green foliage and showy coral-red trumpet-shaped flowers borne profusely in early summer.

2 Year, No. 1 10.00
2 Year, Medium 7.50

LYCIUM chinensis, Chinese Matrimony Vine.

Useful for holding banks, ornamental for retaining walls. Purple flowers in spring followed by red fruit.

2 Year, No. 1 12.50
2 Year, Medium 7.50

POLYGONUM auberti, (Silver Lace Vine), China Fleecevine.

A new, quick-growing twining vine, producing masses of lacy white flowers from July to frost.

2 Year, No. 1 35.00
2 Year, Medium 25.00

WISTERIA sinensis, Purple Chinese Wisteria. Grafted.

Noted for its beautiful drooping racemes of violet flowers.

A vigorous, rampant grower, reaching great height.

One of the best pergola vines.

3 Year Grafted, Extra Heavy 25.00
2 Year Grafted, No. 1 20.00
2 Year Grafted, Medium 12.50

sinensis alba, White Chinese Wisteria. Grafted.

Same as the above but with white flowers.

3 Year Grafted, Extra Heavy 25.00
2 Year Grafted, No. 1 20.00
2 Year Grafted, Medium 12.50

Our Grafted Wisterias are grown from blooming wood taken from mother plants on our own grounds. Three-year plants have bloomed in the nursery row.

sinensis Seedlings, Purple Chinese Wisteria.

2 Year, No. 1 12.50
2 Year, Medium 7.50

sinensis Seedlings, White Chinese Wisteria.

2 Year, No. 1 12.50
2 Year, Medium 7.50

Seedling Wisterias have been disappointing in that many plants are sterile—never bloom. For sure satisfaction, buy GRAFTED plants.

WISTERIA, Purple. TREE FORM.

These TREE FORM Wisterias have bloomed in the nursery row. The heads have been frequently pruned to insure compact growth. Each

About 4-ft. stems, caliper 5/8-in. up, BB, \$1.25

VINES (Continued)

WISTERIA Sierra Madre.

"The Sierra Madre Wisteria is the most gorgeous bower of flowering beauty to be found in the United States, and is said to be one of the largest in the world. The mother plant, which has passed its fortieth year, is growing on the estate of Mrs. Estelle Haines Fennel, in the beautiful city of Sierra Madre, California. The trunk of this giant plant would support a stately tree, and has spread its flowering branches over many acres. Each spring the entire grounds are covered with long drooping racemes of lavender flowers."

Since 1913 annual Wisteria Festivals have been sponsored by different civic organizations, and thousands of visitors enjoy the loveliness of this giant of plant kingdom.

We offer a limited quantity of strong grafted plants, the scions being taken from the original Sierra Madre plant:

2 Year	Each, 75c
1 Year	Each, 50c

CALIFORNIA, April 10, 1933—"The Grafted Wisterias were very satisfactory."

Hedge Plants

Hedges form a living wall or fence which grows in beauty from year to year. It serves the purpose of a fence and costs less. It often gives the desired character to a place, and a tall hedge makes an excellent screen. For low hedges or dividing lines, use Abelia or Berberis; for formal plantings, use Privets and Spireas.

ABELIA grandiflora—See Broadleaved Evergreens (Page 38).

BERBERIS thunbergi—See Deciduous Shrubs (Page 5).

LIGUSTRUM amurense North, Amoor River North Privet.

Vigorous, upright and tall growth; adapts itself to almost any soil. Leaves dark green, somewhat lustrous; tardily deciduous. Makes a strong bold hedge.

	Per 1000
3- 4 Ft., 4 canes and up	\$ 50.00
3- 4 Ft., 2 and 3 canes	35.00
2- 3 Ft., 4 canes and up	35.00
2- 3 Ft., 2 and 3 canes	25.00
18-24 in., 4 canes and up	25.00
12-18 in., 3 canes and up	17.50

amurense South, Amoor River South Privet.

This type is far superior to any other variety for hedging in the South. Retains its foliage throughout the year. Of rapid growth and adapts itself to almost any soils.

2- 3 Ft., well branched	35.00
18-24 in., well branched	25.00
12-18 in., well branched	17.50

HEDGE PLANTS (Continued)**LIGUSTRUM ovalifolium, California Privet.** Per 1000

Quick growing, straight, densely clothed shoots. The foliage a dark shining green. The most generally used of the entire group for hedging, clipped specimens or for massing.

3- 4 Ft., 4 canes and up	\$ 40.00
3- 4 Ft., 2 and 3 canes	25.00
2- 3 Ft., 4 canes and up	25.00

	No. 1 Per 10	No. 1 Per 100
BLAZE, Everblooming Paul's Scarlet Climber,		

Plant Patent No. 10.....\$12.50 \$100.00

BLAZE is a new hardy climber which inherits the blazing color of Paul's Scarlet Climber with the everblooming habit of Gruss an Teplitz. Produces flowers on both old and new growth.

CHASE NURSERY COMPANY

PATENTED ROSES (Continued)

	No. 1 Per 10	No. 1 Per 100
Countess Vandal, H. T., Plant Patent No. 38.....	\$10.00	\$75.00
This new Hybrid Tea rose has been the sensation of all the foreign rose shows, winning all the medals and trophies in 1931. Long pointed buds with shadings of coppery bronze, suffused with soft gold.		
GOLDEN CLIMBER, H. W. (Mrs. Arthur Curtis James), Plant Patent No. 28.....	\$12.50	\$100.00
The most interesting and unusual feature of this new Climber is that its extreme hardiness is combined with blooms of Hybrid Tea type and quality. Able to withstand sub-zero weather.		
Mary Hart, H. T., Plant Patent No. 8.....	\$10.00	\$75.00
Mary Hart is a striking red sport of Talisman. Buds maroon red, opening to well-formed blossoms of deep velvety red with an overglow of amber. Strong grower.		
Souvenir, H. T., Plant Patent No. 25.....	\$ 5.50	\$45.00
Souvenir is one of the loveliest of everblooming Hybrid Tea roses. Its bloom is a rich deep golden yellow, and is a prolific producer of fragrant flowers for cutting.		
THE TEN RATE APPLIES ON ORDERS OF LESS THAN TWENTY OF A VARIETY.		
Color plates for the above Patented Roses available at \$12.35 per Thousand.		

Climbing Roses

(TWO-YEAR — OWN ROOT)

The No. 1 grade carries at least 30 inches of wood, and 3 or more good canes (Dorothy Perkins, Excelsa, and White Dorothy carry 4 canes and up).

The Medium grade carries at least 18 inches of wood, and 2 or more good canes.

The No. 2 grade carries at least 12 inches of wood, and 2 or more good canes. A good mailing plant, culls rigidly excluded.

Setigera, Prairie Rose.....	15.00	10.00	7.50
Sir Thomas Lipton, White Rugosa.....	10.00	6.00	4.00

NOTE: Because the Rugosa type of roses thrives as well in the cold Dakotas as on the Gulf (and all in between), and because they carry bloom all summer; big red seed pods in winter; rich, ragged foliage until late frosts, they are being used more and more in foundation plantings, working into shrub borders, etc. A little pruning keeps them within bounds.

ILLINOIS, March 2, 1933—"The shipment of Roses, Clematis and Red Barberry arrived a few days ago by freight in the regular CHASE style. Am going to need more stock and, of course, would like to have it from Chase."

KENTUCKY, December 14, 1932—"As the nursery stock received from you in the past has always arrived in first-class condition, it makes it a pleasure to deal with you."

Budded Roses

The No. 1 grade of H. P.'s and H. T.'s carries at least 24 inches of wood, and 3 or more good canes. The Budded Climbers will carry at least 30 inches of wood, and 3 or more good canes.

The Medium grade of H. P.'s and H. T.'s carries at least 15 to 18 inches of wood, and 2 or more good canes.

GEORGIA, January 5, 1933—"The stock shipped us on the 27th received this morning. We want to congratulate you on the magnificent material and the manner in which it was packed."

NEW JERSEY, May 13, 1933—"You are right when you say your customers should not expect the kind of stock received at the price you sell them. My one regret is that I do not have a little more land and a little more money to buy more of the stock."

ALABAMA, November 23, 1932—"Shipment of Roses received, and am well pleased with them. They were extra fine plants."

Lining-Out Stock

Again we are offering a good assortment of "Chase's Alabama Grown" Lining-Out Stock, grown from cuttings unless otherwise specified, and in wide nursery rows unless otherwise described. Has had one full season of cultivation with ample space for full development. Our method produces character, stockiness, and a root system that enables the plant to outlive and to outgrow any bench-grown stock. Ask your neighbor nurseryman his experience with Chase's Liners.

Limited quantities on some items. Prices named apply regardless of quantity ordered except that we cannot break bunches (25 plants to the bunch). Orders booked in rotation as received. For late fall, winter or spring shipment, as desired.

Refer to finished stock for full description.

CHASE NURSERY COMPANY

LINING-OUT STOCK (Continued)

CONIFEROUS EVERGREENS

Chase's Lining-Out Conifers are taken from nursery rows unless otherwise specified. Established plants from open field grow off quicker and stronger than bed-grown stock. All are grown from cuttings except as noted.

Plants described as 2-year old have been once transplanted, and have had one full season of cultivation in wide nursery rows; 3-year plants have been twice transplanted, and have stood two full years in nursery rows; plants offered from pots were shifted spring of 1933. All plants well rooted. Are immediately puddled as dug, and packed in damp sphagnum moss to insure safe delivery. No loss in transplanting. Ready to go to the field.

All are priced per 100 with puddled roots.

For full description, see finished stock.

Orders for Conifers accepted for any quantity.

SUPPLIES

SPECIAL NOTICE: Because of the uncertainty of prices on many items of supplies at the time of printing this list, we cannot guarantee these prices, but will always invoice at the lowest market price. ALL PRICES ARE SUBJECT TO MARKET CHANGE.

TERMS ON SUPPLIES

Cash with order. Short profits and heavy investment compel quick cash. C. O. D. shipments satisfactory to us, but always expensive to you because of fee and returns charges. Cash with order just as easy, saves bookkeeping—economical for us both.

EVERY ITEM TESTED

We use every item of these Supplies in our own nursery work. Some are made to our specifications. All are the best value we can find—and we have been hunting the best for forty years.

Each item is numbered for your convenience in making up orders—the number is all we need. Please add for postage on items priced f. o. b. Chase—guess liberally, any difference, either way, to be adjusted.

ITEM NO.

KEEN EDGED TOOLS

1. BUDDING KNIFE—

Heavy Imported. Folding single blade; heavy brass lining. Ivory Tip to open stocks. Highest quality.

Each, postpaid\$ 1.55

Dozen, f. o. b. Chase..... 17.00

2. BUDDING KNIFE—

Stationary Handle. Single non-folding blade of proper shape and hang. Fine value in a low priced budding knife.

Each, postpaid\$.40

Dozen, f. o. b. Chase..... 4.00

TENNESSEE, May 4, 1933—"The lining-out stock was excellent."

CHASE NURSERY COMPANY

KEEN EDGED TOOLS—Continued.

ITEM NO.

3. BUDDING and GRAFTING COMBINATION —

Folding double blades, one Budding, one Grafting. Brass lined, strong and well made; imported. Of fine balance and appearance. Makes a high class pocket knife.

Each, postpaid\$ 1.55

Dozen, f. o. b. Chase..... 17.00

4. PRUNING and BUDDING COMBINATION —

Folding double blades, one Pruning, one Budding. Stag handle, rather heavy for pocket. Very strong and well made.

Each, postpaid\$ 1.55

Dozen, f. o. b. Chase..... 17.00

5. GRAFTING KNIFE —

Stationary Handle. Grafting blade of high quality set in strong maple handle with three rivets. Best low priced grafting knife on the market.

Each, postpaid\$.65

Dozen, f. o. b. Chase..... 6.25

6. GRAFTING KNIFE —

Jumbo Size, Stationary Handle, for extra heavy work. Used for field grafting, pecan stocks, etc. Length over all 8 inches. Extra strong all around.

Each, postpaid\$.95

Dozen, f. o. b. Chase..... 10.00

7. GRAFTING KNIFE —

"C. A. G." Folding single Grafting Blade in strong cocoa handle, recently improved by changing to brass lining. The best every-day pocket knife for the money. Have used and sold this knife for forty years.

Each, postpaid\$.65

Dozen, f. o. b. Chase..... 6.25

8. PRUNING KNIFE —

"C. A. G." Stationary Hook-bill Pruning Blade in strong, properly shaped handle fastened with three rivets set diagonally; full length 8 inches. The best pruning knife per dollar we have found.

Each, postpaid\$.80

Dozen, f. o. b. Chase..... 8.25

9. DOUBLE BLADED PECAN BUDDING KNIFE —

Made of two straight handled high grade knives set $\frac{7}{8}$ inches between blades. Fastened with special screw and dowel pins; easily taken down for sharpening. Cuts a "ring" bud perfectly.

Each, postpaid\$1.75

10. PATCH-BUDDING KNIFE—(The Jones Patch Budder.)

Cuts the bud much as a biscuit cutter operates. Handle of aluminum, blades of razor steel. Full directions for budding pecans and other nut trees, etc.

Each, postpaid\$1.75

11. GRAFTING CHISEL —

For top-grafting large limbs. All metal; length 9 inches; cutting edge $2\frac{3}{4}$ inches. Strong wedge on end.

Each, postpaid\$1.35

ITEM NO. KEEN EDGED TOOLS—Continued.

12. GRAFTING TAPE—

An adhesive tape prepared for wrapping grafts and buds, and used in connection with the last three tools above listed. Forms a stick-fast, air-tight, waterproof seal. Adds great strength at union. Fine for wrapping top-worked pecan buds or grafts. Half inch wide, 36 yards to roll.

Per Roll, postpaid.....\$.50

NOTE—For Grafting Thread and Grafting Wax, also used in connection with last three tools above described, see items 64-68.

13. WHETSTONE (Carborundum)—

Pocket size. Should be in the pocket of every budder and grafter. Makes a good knife hold a good edge if properly used—spit on it and finish on side of your shoe heel.

Each, postpaid\$.20

Dozen, f. o. b. Chase..... 2.00

14. PRUNING SHEARS (French)—

After trying them all we placed this imported French Shear at the head of the list. Easy working, grip and balance just right. Imported direct in three sizes:

9-Inch—Best for cutting back and heavy work.

8-Inch—Just right for making hardwood cuttings.

7-Inch—Right for greenhouse work, cutting roses, etc.

P R I C E S :

14A— 9-Inch, Per Pair, postpaid.....\$ 2.35

Per Dozen (weight 11 lbs.).... 25.00

14B— 8-Inch, Per Pair, postpaid..... 2.10

Per Dozen (weight 7 lbs.)..... 22.00

14C— 7-Inch, Per Pair, postpaid..... 1.85

Per Dozen (weight 5½ lbs.).. 19.00

The quoted price per dozen is f. o. b. Chase.

Half-dozen will be furnished at the dozen rate, and you may assort the half-dozen in all three sizes if desired.

NOTE: If you have some used French Shears that need adjusting—new blades, bolts, springs, etc.—send them in and our “Steve” will put them in shape (if any one can) and at reasonable cost. Steve is a wonder.

15. SPRINGS FOR FRENCH SHEARS —

Volute (Spiral) type for all sizes. Be sure and state size wanted.

Each, postpaid\$.15

16. SPRINGS FOR FRENCH SHEARS —

Roller (Old Style) type for all sizes. Be sure and state size wanted.

Each, postpaid\$.20

17. PRUNING SHEARS (American)—

A good low priced shear. Length over all 9 inches; weight 15 ounces. Spring of the volute (spiral) type. If a low cost shear is wanted, this is it.

Per Pair, postpaid.....\$.75

Per Dozen, f. o. b. Chase..... 7.50

18. SPRINGS FOR AMERICAN SHEARS —

Each, postpaid\$.15

CHASE NURSERY COMPANY

ITEM NO. KEEN EDGED TOOLS—Continued.

19. HEDGE SHEARS —

Two-hand, heavy 8-inch blades; length over all 22½ inches; weight 3¼ lbs. Blades are notched to cut heavy canes. Best size for continuous and rapid work in trimming hedges, etc.

Per Pair, postpaid.....\$1.70

Per Pair, f. o. b. Chase..... 1.50

20. "LOPPING" SHEARS —

Two-hand, extra heavy, single cut. For "dehorning" in orchard, and general heavy pruning. Length over all 26 inches, the long handles giving great leverage. Weight 3¼ pounds.

Per Pair, postpaid.....\$2.20

Per Pair, f. o. b. Chase..... 2.00

21. LONG-POLE TREE TRIMMER —

The Waters Style one-piece pole trimmer is well built on a basewood pole of varying lengths; size of pole 1½x1⅛ in.; head and pull-lever fastened securely with bolts. Hook will take limb 1⅛-in. diameter. Cutting blade operated by pull-lever connected with a strong light steel rod. A good low cost long-pole trimmer. Shipment direct from factory.

21A— Each, 6-foot pole, f. o. b. factory.....\$2.30

21B— Each, 8-foot pole, f. o. b. factory..... 2.60

21C— Each, 10-foot pole, f. o. b. factory..... 2.90

21D— Each, 12-foot pole, f. o. b. factory..... 3.20

21E— Each, 14-foot pole, f. o. b. factory..... 3.50

(Extra Blades, each, postpaid, 25c)

22. JOINTED POLE TREE TRIMMER —

This jointed pole trimmer is the best grade trimmer on the market. Made up of 4-ft. sections. A 16-ft. pole will easily make up an 8-ft., 12-ft., or 16-ft., as the job requires. Has compound-lever cutting head of high grade steel, mounted on a substantial pole with heavy close fitting couplings easily put together or taken down.

22A—Each, 8-ft. made up of top section and handle section, f. o. b. factory.....\$5.00

Half-dozen at Dozen Rate.

22B—Each, 12-ft. made up of top section, intermediate section and handle section, f. o. b. factory.....\$6.20

The favorite and best selling length.

To make a 16-foot pole add an extra intermediate section.

22C—Extra intermediate sections, Each, f. o. b. factory.....\$1.20

23. "LITTLE WONDER" HEDGE TRIMMER —

For large estates, cemeteries, country clubs, or private home grounds where long hedges must be kept in order, this machine is, in fact, a "little wonder." Operates much like a mowing machine blade through geared-wheels turned by crank. The operator carries weight of machine by strap across shoulders. Made also for electric power drive. Descriptive circular on request.

Price of hand-powered machine, f. o. b. factory:

23A— 30-Inch Blade, each.....\$25.00

23B— 40-Inch Blade, each..... 27.50

23C— 60-Inch Blade, each..... 35.00

Shipment direct from factory.

ITEM NO. KEEN EDGED TOOLS—Continued.

24. PRUNING SAW —

Fast, keen cutting. Will handle large limbs or small branches. Different in that it is draw-cut on slight curve; easy on operator. Designed by an orchardist. The best pruning saw we know of regardless of cost. This saw, together with a pair of French Shears, should be in the kit of every tree owner, nursery salesman, and landscape planter.

Each, postpaid\$.90

Dozen, f. o. b. Chase..... 9.00

25. HATCHET —

We use this all-metal hatchet in our box shop and find that it gets lost just as easily as one costing three times its price. Head is reinforced; weight just right. It is a good all-purpose hatchet, and the cost is low.

Each, postpaid\$.65

Dozen, f. o. b. Chase..... 6.60

HAND CULTIVATING AND DIGGING TOOLS

(Dibbles, Forks, Hoes, Spades, and Trowels)

26. DIBBLE —

For planting ("dibbling in") young seedlings, etc. Measures 11 inches over all; weight 1¼ lbs.; the polished steel point is tapered from a diameter at handle of 1¼ inches. The D handle of wood gives proper balance.

Each, postpaid\$.75

Dozen, f. o. b. Chase..... 7.50

27. FORK, ENGLISH MODEL —

If you have never used this English style spading-digging fork, you should do so. Has square tines instead of the old style man-killing flat tines; is far easier on the operator. Costs a little more, worth a lot more. Fork, shank and strap in one piece of steel.

Each, f. o. b. Chase.....\$ 2.25

Dozen, f. o. b. Chase..... 25.50

28. HOE, SOUTHERN QUEEN —

The most satisfactory weeding hoe for general nursery use. Blade is 3½ inches wide, the tapered point is very handy in closely planted stock.

Each, f. o. b. Chase.....\$ 1.15

Dozen, f. o. b. Chase..... 12.50

29. NURSERY SPADE —

Genuine Oliver Ames heavy, double steel straps full length of handle. For heavy soils this is the best nursery spade obtainable. Blade is tapered from 7½ inches at top to 5½ at point. Now made in one thickness of heavy steel. No more splitting at point. Weight 8 pounds.

Each, f. o. b. Chase.....\$ 2.90

Dozen, f. o. b. Chase..... 32.50

30. SPADE HANDLES —

These extra handles for the Ames Spade are bent and riveted, and can be put in place by any good blacksmith.

Each, f. o. b. Chase.....\$.65

Dozen, f. o. b. Chase..... 7.00

Half-dozen at Dozen Rate.

CHASE NURSERY COMPANY

HAND CULTIVATING AND DIGGING TOOLS—Continued.

ITEM NO.

31. NURSERY SPADE —

Lighter weight than the Ames Spade. This weight is preferred where soils are comparatively light. Made of one piece heat-treated steel, and double strapped for 18 inches, giving ample strength for this weight spade. Blade is tapered to 5 inches at point with clipped corners. Metal "D" grip, weight $6\frac{3}{4}$ pounds.

Each, f. o. b. Chase.....\$ 2.40

Dozen, f. o. b. Chase..... 26.50

32. PECAN NURSERY SPADE —

For pecan growers particularly who need extra length of handle coupled with good weight and great strength. Made by Oliver Ames. Handle $4\frac{1}{2}$ feet long. Double steel strapped for 24 inches; square blade; weight $9\frac{1}{2}$ lbs.

Each, f. o. b. Chase.....\$ 3.00

Dozen, f. o. b. Chase..... 34.00

33. TROWEL, ALL-STEEL —

New model all-steel trowel stamped from one piece. Very strong, though light. Length $11\frac{1}{2}$ inches over all.

Each, postpaid\$.30

Dozen, f. o. b. Chase..... 2.70

Half-dozen at Dozen Rate.

GRADING, PACKING AND SHIPPING SUPPLIES

(Box Straps, Burlap, Cordage, Labels, Moss, Mule Skin Mittens, Needles, Paper, Tacker, Tree Counter and Tree Gauge.)

All items in this group, unless otherwise noted, are priced f. o. b. Chase. Please tell us how to ship, by freight or express?

34. BOX STRAPS —

Cut from soft sheet steel, 1 inch wide, 9 inches long. Strong enough to hold the heaviest box, but light enough to nail through without punching. About 2,300 pieces in 100 lbs. Packed in net weight 50-pound boxes.

Per Pound, in small lots.....\$.08 $\frac{3}{4}$

Per Pound, in 50-lb. cases..... .08

35. BURLAP —

Bright, clean, brand-new Calcutta Burlap; 36 inches wide, $7\frac{1}{2}$ ounces per yard, 100-yard bolts.

Per Yard, in small lots.....\$.07 $\frac{1}{2}$

Per Yard, full bolts07 $\frac{1}{4}$

36. CORDAGE-WOOL TWINE —

The same high grade wool twine that we have handled and used for years. Best for tying in bunches. For fruit trees and heavy stock, use 4-ply. For bunching small fruits, roses, etc., the 3-ply is plenty strong, and of course carries greater yardage per pound. Packed in bales of about 160 pounds each.

Per Pound, 4-ply, small lots.....\$.16 $\frac{1}{2}$

Per Pound, in full bales..... .14 $\frac{1}{2}$

3-ply takes an advance of 1 cent per lb. over 4-ply.

GRADING, PACKING AND SHIPPING SUPPLIES—Continued.

ITEM NO.

37. CORDAGE-TARRED SISAL TWINE—

Best grade 1-ply sisal lightly impregnated with tar which prevents rotting while in winter storage cellars. In balls of about 10 pounds each.

Per Pound, in small lots.....\$.15

Per Pound, in lots of 50 lbs. or more..... .14½

38. CORDAGE-SISAL EXPRESS CORD—

Nothing better for express bales. Two-ply high quality, comes single end on reels of about 60 pounds each. Cannot break reels.

Per Pound, in 60-lb. reels.....\$.14½

39. CORDAGE-COTTON SAIL TWINE—

Cotton Sail (Sewing) Twine is the best twine obtainable for sewing burlapped Bales or Balls. Made by an Alabama Mill. 16-ply smooth working; comes in reels of 50-lbs. and 25-lbs., also in skeins of about ½-lb. each in 10-lb. packages.

39A—Per Pound, 50-lb. reels.....\$.32

39B—Per Pound, 25-lb. reels..... .33

39C—Per Pound, skeins, any quantity..... .34

NOTE—Postage on Labels averages about 20c per 1000. If wanted by parcel post please add to your remittance, any difference to be adjusted.

Ground extra fine for dusting. Packed in 50 pound bags.

Price per bag, f. o. b. Chase.....\$3.00

VIRGINIA—"Am enclosing check to cover my order for twine. Appreciate the prompt shipment."

CALIFORNIA, January 31, 1933—"The car of deciduous plants came through in fine shape, and we are again well pleased with the material."

OHIO, March 10, 1933—"Car reached us in splendid condition. It was indeed a beautiful shipment, and were we a bunch of chronic kickers, which we trust we are not, would have a hard time finding a justifiable complaint. We assure you of our appreciation for the fine stock and excellent service."

FLORIDA—"In the last 10 or 12 years, we have bought at least a dozen pairs of 6-inch French shears, and still have the original pair which are now rather the worse for wear. All the others have been lost."

ALABAMA—"I called you about 9:00 o'clock and before sundown the boys brought the 10,000 Labels to my office. You are the best business firm I have ever dealt with."

OKLAHOMA—"Please make us one thousand best tags. We find your tags a little better and your price a little lower than others we have tried."

CHASE, ALABAMA

ARKANSAS—"I have one of your stationary handle budding knives and have never seen a knife that would compare favorably with it."

GEORGIA—"I certainly appreciate the prompt attention given my order, also the good work done on the shears. We have been using Chase supplies for a number of years and think they are the best made."

TEXAS—"Please send us six Jumbo Pecan Grafting Knives, same as we ordered before."

VIRGINIA—"Mighty glad to hear that you have more of the large sewing needles. You may send us two dozen. We have used this needle before, and like it much better than the 5-inch needle."

IOWA—"I have been trying out the grafting thread which you sent me some time ago. This thread seems to be just what we want. There is just enough wax to allow wrapping dry. That, to me, is a big factor since we do not have to use the hot water dip to soften the wax in order to make it stick."

GEORGIA—"Enclosed is our voucher covering the order for Grafting Wax. We received the Wax today, and I might remark that we find the composition of this wax particularly good for our purposes."

ILLINOIS—"The Mule Skin Mittens were promptly put in use and found the best we have ever had in years of experience. Kindly send another pair soon as possible."

TEXAS—"The pruners received from you are the best we have ever used."

TEXAS—"Mail us one C. A. G. Grafting Knife—the best knife we ever saw."

FLORIDA—"We like to order supplies from you as the quality is always right, the price is right, and we get them promptly."

VIRGINIA—"We sincerely appreciate and admire your consistent promptness in getting out supplies."

TENNESSEE—"You surely give service on supplies. Whenever I am in the market for anything you handle, will be glad to give you my order."

ALABAMA—"Thanks for the prompt filling of my order for labels."

OHIO—"Last season one of my nursery men wore out six ordinary spades. After purchasing one of your famous Chase Alabama spades, find it has worn out six of my ordinary nursery men."

ILLINOIS, May 5, 1933—"Think you will be interested in the behavior of the *Viburnum carlesi* we bought from you two years ago. The first winter we had on them was very mild and naturally they came through in fine shape, but this last winter we had as low as 21 degrees below zero and although we had our doubts about them, they all came through and bloomed beautifully."

SOUTH CAROLINA, March 27, 1933—"Wish to thank you for the prompt shipment of the Flowering Peach. They are very satisfactory."

SOUTH CAROLINA, February 9, 1933—"The Magnolias came in on Monday, and we are very much pleased with them."

IOWA, April 12, 1933—"The stock all arrived in good shape, and have it all planted."

NEW YORK, February 10, 1933—"We don't believe anybody has better stock than we have seen come from Chase. We always keep your price list handy."

MICHIGAN, April 17, 1933—"The car of Privet arrived o. k., and is as nice as any I have ever purchased."

SOUTH CAROLINA, February 4, 1933—"The stock arrived all right, and we are pleased."

ILLINOIS, April 22, 1933—"The car arrived in fine shape."

Certificate *and* Fumigation

Entomologist's Certificate of Inspection will accompany all shipments unless we are otherwise instructed.

We are prepared to fumigate with Hydrocyanic Acid Gas, and will do so when requested or where state laws require it.

This cover stock is of our regular Kraft Box Lining Paper (item No. 56, see SUPPLIES) now selling at 5¼c per pound, f. o. b. Chase.
